2022/2023

Fall / Holiday / Valentine's Collection

STYLE 12651

Dear Dreamgirl Customer,

We are proud to release our 2022-2023 Fall, Holiday, and Valentine Collection. This season's theme was "all in the details," with intricate crafty laces, thoughtful ruching and seams, shimmery jeweled straps, and sweet ties and bows. Details this season also include gold cording, metallic foils, rattail strings, covered buttons, burnout velvet, and sequin embellishments.

We challenged ourselves this season to produce the best line ever, embodying historical glamour with a glitzy, modern twist. The renewal of grandeur in our post-pandemic era is reflected this season, as we believe dressing up is just as important in lingerie and loungewear for the modern women as it is in daywear. With this in mind, we offer styles with fresh creativity, bold colors, and opulent fabrics such as embellished fishnet, luxe velvet, and metallic corded lace.

You will notice our continued interest in corset and bustier silhouettes, such as our Evergreen velvet and lace corset set with boning support, given the soaring popularity of corsets as well as their crossover appeal to daywear. Catsuits, like our silver metallic fishnet style, and bodysuits, like our fishnet style with heart venise trim and white pearl details, are also key silhouettes in this collection.

Please enjoy Dreamgirl's newest Fall, Holiday and Valentine styles accompanied by our bestsellers as you prepare for an exciting holiday season delivery.

Thank you,

Barry Revzen
CEO, Dreamgirl International
