2023 Costume & Wig Collection

Dear Dreamgirl Customer,

As people around the world are celebrating dressing up again, taking part in parades, festivals, hosting parties, and most importantly... Halloween. I feel this is the one holiday the world needs the most. The power of a costume to transform our always-on lifestyles into moments of happiness, fun and experiences. The magic of a costume, the playfulness and connection we so desperately seek is intangible, it makes us feel alive again, and that is very powerful to me.

At Dreamgirl, we are naturally inclined to take dress up for any given situation seriously and have spent a full year coming up with next-level costumes and accessories we know you and your customers will enjoy. From costumes inspired by this year's biggest pop culture moments to fashion inspired trends like Barbiecore and goblincore, and other nostalgic throwbacks in time, we really do have it all -- and these costumes will not disappoint.

In a pinch? Our expansive line offers fantastic last-minute looks for any party and many of our costumes have companion options for duos and couples. If you are struggling to come up with an amazing costume, the answer can be any in one of our DIY starters, serving as inspiration to get your creative juices flowing.

Let Dreamgirl be your costume one-stop destination with our new and exciting wigs. Fancy a glossy noir look? How about the newest, trendy cut? Whether it is our new Wolf Cut Wig, or any one of our color-blocked styles, we have wig styles inspired by the hottest social media trends to heighten your influence. Maybe you want to go big with voluminous retro curls? Whichever you decide, our new wig looks are undeniably memorable and effortlessly cool.

Costumes are a tale as old as time. People used to wear them based on comic books, anime, video games, movies, and TV. Today, costumes have evolved to be based on the most viral moments, ideas plucked from fashion headlines, even references to the everyday mundane. Costumes have seeped into our culture on every level and speaks to where we are in this moment in time. With that, I believe that our 2023 Collection of Costumes, Wigs & Accessories memorialize this unique moment in time with newness, and exciting interpretations of classics. We can't wait to see the new moments you'll create as you bring these unique looks to life.
