

Dear Dreamgirl Customer,	Hang
I look at 2023 as a unique window of opportunity and growth. A renaissance period that has emerged from the last couple of years laden with an ongoing health crisis, rising inflation, culture shifts and other global effects. 2023 marks a new cycle for Dreamgirl, full of promise, a blank slate, a refresh. At every beginning of the year, there's a natural reinvention that happens. And this re-emergence heightens the sense of the beginning of something else. What that something looks like is up to interpretation. Dreamgirl took this opportunity to define this moment. To thrive on renewal, presenting a new collection that lands differently as we adjust to the ever-shifting world.	Robe: Sleep
In our 2023 Collection, you will see how we've refreshed the line, Dreamgirl's evolution and growth. You will see it in our up-to-date silhouettes, be pleasantly surprised by our diversified offerings to include more trend driven innovative items for all shapes and sizes for the ever-changing woman, and compelling details to speak to this unique moment. The outlook toward lingerie going from being a necessity to a fashion product will be a major factor dictating the demand for fashionable and trendy lingerie. Pretty and feminine details will still be driving interest. After seasons of "pandemic underwear," women are missing more	Brida Packa
elaborate boudoir items, including sensual underwired lingerie and full sets inclusive of other accessories.	Red D
Accompanying this inspiring new collection is the separate but equally exciting bodystocking and hosiery catalog with all of the key looks and styles for 2023. I hope you find this new collection chic, sophisticated, and memorable and brings you much to celebrate in the New Year.	White

Sincerely,

Barry Revzen CEO, Dreamgirl International
